PROBABILITY CONCEPTS (SPEEDY STUDY GUIDES: ACADEMIC) (PAPERBACK)

Speedy Publishing LLC, United States, 2014. Paperback. Condition: New. Language: English. Brand new Book. Probability concepts study the likelihood that an event will happen within a certain frequency within a designated duration. These concepts are used in various mathematical and risk assessment models and are used in different aspects of our lives such as crisis management and major event planning. A primary tool of sociologists, a chart would assist one in understanding the various models and concepts and how these...
